Summer Fellowship 2017 – Developer Application

About Represently Summer Fellows

Represently is hiring summer fellows to join our determined team. Fellows will join for ten weeks and have housing provided in Washington, DC to build a two-sided lawmaker-constituent relationship product. In addition, Represently has partnered with the National Council on Entrepreneurial Tech Transfer (NCET2) to offer weekly programming where Fellows will be exposed to the DC startup ecosystem, including meetings with area angel investors and venture capitalists and talks with prominent area entrepreneurs. Fellows are intended to have the opportunity to extend their commitment to beyond the summer.

We seek Software Development Fellows for both frontend and backend development. Experience in Django or Vue.js are preferred but not required.

A full description of Represently, qualifications, and responsibilities is available at: www.represently.com/fellowship

Application Logistics

The application requires two components:

1. This completed document
2. A resume

Applications are reviewed on a rolling basis following two submission waves.
Early Deadline: March 10, 2017
Final Deadline: March 24, 2017

Slots are filled based on availability. Applying earlier provides an advantage.

Send completed applications to hi@represently.com with "Developer Fellow –" and your name in the subject line. We will confirm receipt.

Essay

Summer Fellowship 2017 – Developer Application

Given our early stage, Developer Fellows will influence the strategy and direction of our product. The opportunity requires demonstrating you are apt for such an impactful role. These essays will be used to assess both this and your ability to communicate.

1. Describe a team technical project you completed where you had substantial responsibility. What decision(s) did you make that were controversial? Were you correct? (300 words max)

2. What is the most recent non-work and/or non-school technical project you completed? Why did you build this? (100 words max)

Other

Is there any other information you wish to share with our team that you have not already had the opportunity to discuss?

__ Yes   __ No

If yes, please expand below in 200 or fewer words.
